

Heading to Chicago for CMSA 2018? On Thursday, June 21 at 5pm CT, hear Cheri Bankston, senior director of Clinical Advisory Services at naviHealth share her insights on “Agents of Change: How to Lead in Value-based Care” - and make sure to stop by Booth #320 during exhibition hours!

CMSA’s Annual Conference & Expo offers a high-powered mix of diverse education sessions, industry experts and a variety of networking opportunities. This annual gathering allows case managers and allied health care professionals to come together to share their latest knowledge and information. Learn more about CMSA [here](#).
