

Nashville is a land of healthcare opportunity. With the unparalleled foundation of healthcare experience, knowledge, and wisdom, Nashville will continue to be a powerful magnet for individuals and businesses with a healthcare focus, consistent with its well-earned reputation as the health services capital of the nation.

In his latest Forbes column, Former U.S. Senate Majority Leader Bill Frist, MD, brilliantly captures why Nashville holds a special place in the U.S. healthcare ecosystem and is considered the health services capital of the U.S.

We're both honored and proud to be a part of such an innovative healthcare community that continues to grow each and every day.
