

Leadership Health Care (LHC), an initiative of the Nashville Healthcare Council created to nurture the talent of Nashville's emerging healthcare leaders, has announced its 2020 award winners, including Supporting Organization of the Year.

naviHealth was named the Supporting Organization of the Year for continually supporting LHC and the development of emerging leaders in health care through committed sponsorship of the LHC Executive Briefing Series. We continue to see naviHealth's commitment to our organization through the 20 employees from their company who are LHC members.
